

Civil Engineer – Project Manager, Nicosia – CEPM/06/23

Our client, a well-established FMCG Company, is looking for an experienced and self-driven Project Manager for the Civil Works and Project of their Operational Industrial Facilities in Nicosia. The role requires close coordination and monitoring of all project developments.

Position's Duties & Responsibilities:

- Organizing and controlling necessary Civil Works and Projects from initial planning to construction and completion.
- Setting up controls and monitoring all projects' key parameters such as budget, time frame and quality and health and safety standards.
- Overseeing and reviewing the preparation of drawings, technical specifications and tender documents.
- Organizing, reviewing and monitoring tender process, evaluation and award of contracts.
- Organizing and coordinating all Involved Parties (Architects, Engineers, Contractors) to achieve Project Requirements and ensure that projects are completed within the preset parameters of time, budget and quality standards.

Position's Requirements:

- University Degree in Civil Engineering.
- 5 years of relevant experience in the Development or Construction industry.
- Knowledge of the Construction industry, design process and construction practices.
- Experience with managing high-quality projects in Industrial Facilities.
- Experience in leading a project from inception, planning, permitting, to award of tender and supervision of the construction process.
- In-depth understanding of construction contracts and terms and conditions.

- Skilled in reading design and construction drawings for all disciplines.
- Ability to develop cost estimates, budgets, analysis and forecasting.
- Proficient in the English and Greek languages.
- Computing skills, including experience with Microsoft Office and Autocad.
- Demonstrated ability to prioritize multiple projects and tasks.
- Excellent client-facing and internal communication skills.
- Solid organizational skills including attention to detail.

Benefits:

Competitive remuneration and benefits package including:

- 13th & 14th salary
- Provident fund
- Medical insurance
