

CSP

joint venture

Cyprus Services Provider joint venture

CSP (Cyprus Services Provider) is a joint venture comprising six leading B&CE and M&E companies of the construction industry in Cyprus (Cybarco Contracting, Atlas Pantou Co, Chr. Giovanis Construction, Telmen, Kyriakides & Pierides, G&E Thermosolar), established in 2006 to provide services to the British Bases in Cyprus under various Contracts with the Ministry of Defence (MoD), both as a subcontractor to a UK company under the Infrastructure Service Provider (ISP) Contract for the repairs, maintenance and new builds and as the main contractor on several major projects.

CSP JV has been recently awarded one of the largest and high spec projects of a development programme for the design and construction of a Passenger Terminal and Freight Handling Facility at RAF Akrotiri, approximate value €75 million and anticipated duration of 3 years.

In order to deliver our service to the Client, we are searching for high calibre candidates for the following B&CE discipline positions:

- Design Manager/Coordinator
- Commercial Manager
- Procurement Manager
- Procurement Engineer
- Section Engineers
- Site Engineers
- Quantity Surveyors
- QA/QC Engineer

The successful candidates will be offered a competitive remuneration package and benefits, along with a promising career and personal development opportunities.

Applicants should send their C.V. with a covering letter by email to amaryllis.karayianni@cspjv.com the earliest possible but not later than the 04th of September 2023.

All applications will be treated with the strictest confidence.
